Nope. As of 3:30 yesterday, Charles was working on it and said he would finish it this morning. He said he'd show it to me before it went live, so I'll let you know when I hear from him. The way he is required to post certain types of documents (pdf vs. Excel) is making it complicated, I think, and he's trying to make it as simple as possible to follow on the website. I'll keep you posted. Thanks!

Dear Ms. Wiles,

Please find attached the Partial Approval/Partial Disapproval action letter for Oregon's 2012 303(d) list. You will find details of our proposed additions to the list and the required public comment period enclosed. I have also attached our decision rationale, but did not include the data spreadsheets, as these are very large files. They will all be available on our website tomorrow, and a hard copy of our letter along with a disk of all of our supporting documents will be in the mail to you tomorrow as well.

Please let me know if you have questions.

Thank you,
Jill Fullagar
